

Well-run funds. Gen II

Gen II helps fund sponsors achieve the highest and best use of their time and resources. In our model of a [well-run fund](#), you focus on optimizing investment objectives as we deliver best in class fund administration and technologies. This ensures your investors get the timely, accurate, and transparent reporting they expect.

We are the [largest independent private equity fund administrator](#), offering private fund sponsors a best-in-class combination of people, process and technology, enabling GPs to most effectively manage their operational infrastructure, financial reporting and investor communications.

Our team is the [most experienced and longest tenured team](#) in the private equity fund administration industry, with broad product expertise across buyout, fund of funds, real estate, infrastructure, credit, co-investment, hybrid funds, feeder funds, venture capital, retail and managed accounts.
